Dear Andrew:

I appreciate receiving all the emails reporting on Senator Edwards activities. I believe he is gaining a lot of momentum, even here in New York, and especially among my colleagues in the legal aid movement.

As I may have mentioned, I am Chair of The Interfaith Alliance, headquartered in Washington. Our President is Dr. Welton Gaddy who would be a good person for the Senator to meet when schedules permit.

Meanwhile, I thought the Senator might be interested in the work we are doing for election purposes. Our Affiliates will soon be distributing these around the country and National will seek to cover Congress.

Also we are launching a petition drive to bring attention to the need to defend religious liberty. Enclosed is a copy of the petition.

Mrs. Mellon remains as enthusiastic as ever.

Sincerely,

Alexander D. Forger
